

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

Lifting the ban on cell phone usage on planes is a recipe for disaster.
besides the real issues of interference, cell phone users jammed next to readers and resters is a recipe for brawls in the aisle. Imagine sitting between two conversations for six or more hours. Cabin attendants have know corners to send the pugilists to.

Sincerely,

john English
